FROM: Dr. Jose Ashford
SUBJECT: READING DAY 2008-2009 Academic Year
DATE: August 2008

Just a brief reminder as you commence preparation of your course outlines for the upcoming semester:

The Arizona Board of Regents (see Attachment 1, ABOR 6-203) is very clear on the responsibility of faculty “to conduct classes according to the official academic calendar.” We have been asked to remind faculty that they cannot require students to attend class on “reading day”. Please refer to the academic calendar for the reading day date.

Should you have any question about ABOR 6-203, please feel free to speak with either of the Program Coordinators, Dr. Jose Ashford. Your cooperation in this matter is greatly appreciated.
