

Parents, Teachers, Community Leaders...are you looking for an innovative yet structured forum to help prepare your teen for the future?  
Look no further! People of Purpose, Inc presents:

## Crash Course: *Welcome to the Real World!*

This six-month course consists of six (6) jam-packed days of workshops that cultivate self-esteem, build confidence, grow leadership skills, and prepare minority youth in low income areas for the success of their future!

During the course, facilitators find inventive ways to empower, equip and inspire youth to gain new perspectives on life along with the challenges they currently face.

Participants will be submerged and engaged in different discussions and activities that will focus on various issues including job preparation and work ethics, credit worthiness, character development, goal setting and much more.
