Program coordinators will attend this initial meeting to appraise students of typical activities of the student organization, including the need to elect officers and representatives to school committees, and of resources available to assist the organization.
- C. The faculty coordinator of the Tucson component assume responsibilities similar to those described for Program coordinators above for scheduling an initial organizational meeting of students in the Tucson component. The faculty coordinator of the Tucson component will also be responsible for assisting the Tucson student organization in coordinating with its counterpart on the Tempe campus, and for communicating questions and concerns of Tucson students to faculty and administration.
