POLICY: Student Participation - Student Committees

A. Students in the School have the right to representation on committees where final decisions are made regarding curriculum or general governance issues. These committees include:

1. Faculty Council
2. PhD Program Committee
3. MSW Foundation Committee
4. MSW - ADP Concentration Committee
5. MSW - PAC Concentration Committee
6. BSW Program Committee

Each of the four student organizations (BSW, MSW - Tempe, Tucson, PhD) will be invited to send one representative to the Faculty Council. The BSW and PhD student organizations will each be requested to designate one representative to their corresponding program committee, and the MSW student organization will be requested to designate representatives to the MSW Foundation Committee, the MSW - ADP committee and the MSW - PAC committee.

B. Faculty will be responsible for seeking student representation from the BSW, MSW - Tempe, Tucson, and PhD student organizations. At the beginning of the academic year, the chair of each of the above committees will contact the respective student organization to request that a representative be appointed.

C. Student representatives to each committee will be non-voting members, but they will be accorded full rights for participation in discussion of most issues before the committee. The exception will be issues involving individual students or faculty, at which time student representatives will be asked to excuse themselves.
